

To all We Coast Women Pool Players -

Several of us have recently met and are putting our efforts together to get this regional tour back up and running. Before we go any further - we need to have your feedback and response as to your interest/commitment to play in the tour stops. The following are the basics of the prospective tour. Please respond one way or the other before 3/15/09. We need to have a minimum of 32 players. Without that minimum number of player commitment, we won't be able to proceed with getting the tour up and running again.

- New Name - West Coast Women's Regional 9 Ball Tour
- 5 Tour Stops - One weekend per month July through November
- Our intent is to have it sanctioned by the WPBA
- \$50.00 membership fee and \$30 entry fee per tournament
- \* Entry fee distribution - \$25 to the main event; \$5 for second tournament (held on Sunday)
- In order to qualify for end of season point money - players must participate in a minimum of 4 events
- Points are given to each player for attending (whether they win or lose matches) each event and additional points are awarded based on their finish in each event. Points are accumulated throughout the five stops-each player who attends a minimum of 4 stops is eligible for the end of tour points pay out ( a value is placed on each point prior to the tour starting)
- In the main event, races will be to 7 – double elimination; in the second chance tournament, it will be races to 5 – single elimination
- Half of the sponsorship fee (by each pool room hosting the event) will be paid out on the weekend of the event; the other half goes toward the point money. The membership fees are used for administrative costs (mailings, website hosting, flyers, etc). Anything left over will be applied to the point money.

These are just the bare basics of information that we need to pass on. You may receive duplicates of this email; please respond so we can make a tentative list of players. In addition, if you know of other women players that might be interested, please forward to them and have them feel free to contact Eleanor Callado, Cony Mendoza, Tina Mendoza, Marilyn Boucher, Linda Silva or Christina Piona

Remember, we need to know by 3/15/09. Thanks so much and we look forward to hearing
