

DIABLO VALLEY POOL LEAGUE

The Diablo Valley Pool League successfully finished their fall session, this past September 27th when teams gathered at Vinnie's bar to attend the team tourney event and to receive the money prizes the league had projected.

After 37 weeks of playing, with all 18 teams finishing the season, the money pot was \$19,760, plus \$550 for all individual top 10 males and a single female . This is the biggest pot in the history of our local leagues and for that we take great pride...

Let's take a moment to congratulate Holly Robinson for consecutively bringing in the right mix of talent to dominate and take first place in this highly competitive arena.
