

Diablo Valley Pool League

DVPL women's summer session came to an end September 2010 after fourteen weeks of play. Twelve teams signed up for the summer fun and new mixes came up ahead taking the top places. Let us take a minute to congratulate the team from Cue N Brew led by Jenny McCary which recruited veterans Stacy Wilson and Darla Decker giving this mix a more aggressive tone. Diane Fredmen and Tina Lux, were also part of this mix.

The number two spot went to Tina's mix which was sponsored by the Office Bar. The team was composed by Tina Mendoza, Bonnie Plowman, Tracy Datuin, Tammy Moreda, and Tiffany Walker.

Third place went to Erins team with Leslie Armstrong, Shawn Modello, Deanna Spoomer and Cathy Reeves. They had the lead most of the summer, but teams rallied during the last few weeks to change the standings as the position round approached and the handicap got heavier to carry.

Cony's mix full of veterans Holly Robinson, Annette Woods, Kacie Ragen and Lauren Rutkovitz were able to rally on the last 4 weeks winning 4 rounds and climbed up to 4th spot after having a very slow summer.

Another Mix that excelled and had a good summer was Barbara's mix. She has an always dangerous group of shooters Teresa Teague, Mary Jackson and Roxanne Skane.

This women's league runs a 135% handicap system. Every one pays \$45 a session for league sanctioning and score keeper fees.
