

Diablo Valley Pool League

The Diablo Valley Pool League successfully finished their summer session, this past March 25th. The up and coming open league, which at one point only had 6 teams, is now in full swing with 20 teams and growing. We have a lot of new talented players that have joined and who love to play and compete. The 22 week session generated a total payout of \$14,000. All teams get money, the top 5 male players and a top female also get cash.

Join me in congratulating returning Champion team from Vinnie's lead by Holly Robinson. Again, her "partners in crime" are Jason Williams, the best in the area and top shooter of the league, George Williams, Jared Williams(not in photo) and Dave Gomez.
