

# Diablo Valley Pool League

(Shawn Modelo, Jess Quinata, Leslie Bernardi, Dar Dominguez)

The Diablo Valley Pool League held their 6<sup>th</sup> women's tournament this past Aug 21<sup>st</sup> at the Diablo Lanes Bar, located on Monument Boulevard in Concord. We had a decent turnout with (17) seventeen women coming out for fun Sunday afternoon and maybe the chance to grab some 'lunch' money.

It was a nice combination of veterans of the league and several of the new players which had added strength and depth to our women's league.

The format was a race to two on the winners side and a single game on the loser side. The fight for the catbird seat came down between Shawn Modelo and Leslie Armstrong. Two veterans and excellent players who are very familiar with the top places.

Dar Domingo and Jess Quinata both got sent to work the loser's side by Shawn and Leslie and when they met again Dar beat Jess to grab the third place spot and grab \$30 dollars. Jess was the winner of the last women's tournament and she seems to be picking up the pace with her game.

At the end of the day Leslie Bernardi and Shawn Modelo decided to split the pot and the final standing read as such:

### FINAL STANDINGS

1)Shawn Modelo-Leslie Bernardi	\$90+\$50
3)Dar Dominguez	\$30
