

Diablo Valley Pool League

The Diablo Valley Pool League is a non-profit organization which is mainly geared to the need of the entry and mid level pool player. Our main goal is to prepare players to participate in the BCA-ACS National 8-Ball Championship which is held at the Riviera in Las Vegas. All our leagues are handicapped. We have just finished the Scotch Doubles 8-ball League which plays on Saturdays at 5pm. We had 13 teams participating on a double round rotation. Let us welcome our new champions George Williams and Kacie Regan.
