

DIABLO VALLEY POOL LEAGUE

The Diablo Valley Pool League held their 5th women's tournament this past June 21st at the Office Bar, located on Willow Pass Road. Sharing the event with the fathers day celebration, the tournament was small as expected however the women that showed up all had a respectable game and were looking for a few extra bucks to go do their shopping.

The fight for the catbird seat came down between Darnelle Dominguez and Jess Quinata. Dar managed to beat her sister Denise in a race to two. On the bottom bracket, Jess Quinata won her matches against Kristen and Stacy Wilson, sending them to work the looser bracket. Playing some of her best pool, Jess defeated Dar and assumed control of the catbird seat.

On the looser side Stacy Wilson worked her way back to play Dar Dominguez and won the match to get a chance to play Jess for the top spot. She won the first game but made mistake on the second game, allowing Jess to win the game and the tournament. Congratulations to Jess for her victory
