The Scotch doubles 9 ball league for the Spring session came to an end, with a newly formed mix capturing 1st place. Twelve teams signed up for the double round session and generated a total payout of \$5,860 which was paid back to all participant teams.

The team of Leslie Bernardi and Jared Williams; dominated the scene throughout most of the session. They displayed excellent team work and were able to overcome the handicap without problems. The most handicap given on a race to 7 was, 3 games depending on the averages of the opponent teams. They are both excellent shooters and not surprisingly also won the most break and run prize. Congratulations to them, they won 16 matches and lost 6 out of the 22 required.

We were pleasantly surprised with a new team to our scotch doubles leagues Chad Okada and veteran Stacy Wilson who were able to take 2<sup>nd</sup> place from previous champions Holly Robinson and Dave Gomez who ended up sharing 3<sup>rd</sup> spot with Annette Woods and Rich Yoder. The deciding factor for this spot was based on the total games won.
